Making a Difference for California

Chapter 4 XC of California State 4-H Policy Handbook states:

The county of residence is the primary county for 4-H YDP enrollment. A 4-H member cannot be enrolled in two different counties at the same time. Any exceptions to this residence requirement must have prior approval from 4-H YDP staff in both counties and/or states affected. 4-H YDP staff reserve the right to reassess all previously granted approvals for out of county or state membership when the 4-H program year begins, July 1.

This agreement requires that the 4-H member and member's parent/guardian, 4-H adult volunteers and staff agree to the following:

- 1. Acknowledgement of the reasons for the cross county or state 4-H enrollment.
- 2. The 4-H member agrees to follow the constitution, bylaws, policies, and procedures of the host state, county, and 4-H club.
- 3. There must be a current 4-H YDP program in the home county of the youth who is enrolling in the neighboring county or state.
